KUALA LUMPUR

MALAYSIA, a multiracial country where Malays, Chinese, Indian, Iban, Khadazan and many other different ethnic groups live as one. The rich culture heritage has made Malaysia a unique, relax and friendly place to explore and live in.

Malaysia consists of 13 states (*Malay: Negeri*) and 3 federal territories (*Malay: Wilayah Persekutuan*). 11 states and 2 federal territories (Kuala Lumpur & Putrajaya) that are located on the Peninsula while the remaining 2 states (Sabah & Sarawak) and 1 federal territory (Labuan).

With the diverse natural resources, flora and fauna, Malaysia home many beautiful beaches, islands, rain forest and mountains. Besides these wonderful natural resources, we have beautifully built skyscrapers such as the Kuala Lumpur Tower and the Iconic PETRONAS Twin Tower and also aesthetically pleasing architecture which has decorated Malaysia with wonderful sights.
